1. Your deduction is allowed in full if you (and your spouse, if you are married) aren't covered by a retirement plan at work. If you file as single or head of household and are covered by a retirement plan at work, a full deduction is allowed if your modified AGI is ≤ \$63,000, a partial deduction if > \$63,000 but < \$73,000, and no deduction if ≥ \$73,000. If you are married and filing jointly and both you and your spouse are covered by a retirement plan at work, a full deduction is allowed if your modified AGI is ≤ \$101,000, a partial deduction if > \$101,000 but < \$121,000, and no deduction if ≥ \$121,000. If you are married and file jointly and are not covered by a retirement plan at work but your spouse is, a full deduction of your contribution is allowed if your modified AGI is ≤ \$189,000, a partial deduction if > \$189,000 but < \$199,000, and no deduction if ≥ \$199,000.
2. Taxpayers filing as single or head of household may contribute up to the limit if their modified AGI is < \$120,000, a reduced amount if ≥ \$120,000 but < \$135,000, and zero if ≥ \$135,000. Married taxpayers filing jointly may contribute up to the limit if their modified AGI is < \$189,000, a reduced amount if ≥ \$189,000 but < \$199,000, and zero if ≥ \$199,000.
